## ABOUT ME

I am an experienced Motion Graphics Designer who specialises in design, animation, video editing and social media content creation, paid and unpaid.

I have worked for the majority of the UK's leading agencies, which has given me the experience and expertise to take on a variety of briefs and campaigns.

Highly proficient, personable and constantly evolving. I'm able to contribute creatively to campaign briefs from concept, and design to build and completion. Excellent at leading a project and guiding and mentoring other team members I consider myself an all-rounder and a valuable addition to any team.
